California high school seniors who meet income qualifications and have a minimum GPA of 2.0 are guaranteed financial assistance through the Cal Grant program. These grants do not need to be repaid and may be used for tuition, fees, books, and access costs at qualifying public or private California two-year and four-year colleges and universities.

If you are not sure whether you meet financial-need requirements, apply anyway. The California Student Aid Commission periodically raises the income ceilings depending on the budget, and changes can occur that alter a family's situation. So, **APPLY ANYWAY**. You will not qualify if you do not apply. For information on program qualifications\*, visit [calgrants.org](http://calgrants.org).

*\* The California Student Aid Commission provides guidelines to determine whether you are eligible for financial aid; it is not the final determination of your financial need.*

Here's a checklist of helpful information students and parents need to complete the application.  
Bring any of the following items that apply to you.

- Student's Social Security card & driver license (or government issued ID)
- Parent or guardian's Social Security card
- If not a U.S. citizen, bring alien registration card; if you do not have an AR card, check out [CALDREAMACT.ORG](http://CALDREAMACT.ORG) to see if you qualify for California Dream Act financial aid
- Parent's Federal Income Tax return, current W-2 forms or other records of income
- Records of untaxed income such as TANF, veteran's benefits, Social Security benefits
- Student's W-2 forms, pay records or other records of income earned
- Bank account records or bank statements
- Records of stocks, bonds or investments
- Business and farm records
- If you know the colleges you are interested in attending, bring a list
